## Introductory course on long range shooting

Join us for an engaging and informative entry-level course designed for those eager to enhance their long-range shooting skills at the Cheltenham Rifle Club on 25 January 2025 at 9:30am. This course will cover the fundamentals of long-range marksmanship. Participants will gain hands-on experience with both rifle handling and shooting techniques in a safe and friendly environment.

Through a combination of classroom instruction in our morning session and practical range exercises in the afternoon, we will cover:

- Shooting range and firearm safety
- Basic principles of long-range shooting
- Rifle maintenance
- Basic reloading principles
- Techniques for wind reading and environmental considerations

Whether you're a novice looking to explore the world of long-range shooting or someone who wants to refine your existing skills, this course will equip you with the knowledge and confidence needed to hit your target consistently. Join us for a fun-filled day on the range!

Club rifles and ammunition will be available on the day, but attendees are encouraged to bring their own rifle and ammunition.

The entry fee of \$150 includes a full membership to the Cheltenham Rifle Club. This will allow you to participate in club range days held most Saturdays till the end of August 2025. A BBQ lunch will be provided on the day.

We have limited numbers available, so don't miss out and register today. To register and secure a place, please email [chelytpresident@gmail.com](mailto:chelytpresident@gmail.com)
