Account: 020820 0302645 00

Bring your lunch

Range rules & reminders

- The range is a working farm. Dogs are strictly **not permitted**.
- Fouling shots **are permitted** at the first range each day and count towards the shooter's time at that range.
- Immediately after your shoot, take **all gear** to your vehicle or well away from the mound, then return to score on the board.
- Please keep the scoring area **clear of gear**. Space is limited, and items could be accidentally kicked.
- After verifying the total with the check-scorer, **only the scorer** may clear the shooter's string on the device. Allow reasonable time for the shooter to take a screenshot first.

Please return trophies engraved and polished!
